AI USE DISCLAIMER

Effective Date: September 1, 2026

Dynamic Proven Strategies®, LLC ("Company," "we," "us," or "our") operates dpstrategiesllc.com, mstaxstrategy.com, digitalstrategyondemand.com, and strategyfyi.com (the "Site" or "Sites"). By accessing or using the Site, you ("user," "you," or "your") agree to the terms set forth in this AI Use Disclaimer.

This website may include content that has been created in whole or in part using artificial intelligence ("AI") technologies, including but not limited to tools such as Claude (Anthropic), ChatGPT (OpenAI), and Canva. AI-generated content may include, but is not limited to:

- Blog posts, articles, product descriptions, captions, and other written materials;
- Visual content, graphics, or design elements;
- Responses, recommendations, or guidance provided through AI-powered tools, chatbots, or interactive features on this Site; and
- Email communications and marketing materials.

1. No Guarantees or Warranties

The Company makes no representations or warranties, express or implied, regarding the accuracy, completeness, reliability, or suitability of AI-generated content. All such content is provided "as is" and "as available," and any reliance on it is at your own risk.

AI-generated content is provided for informational purposes only and is not guaranteed to be accurate, current, or complete. While we make reasonable efforts to ensure the reliability of all published material, AI-generated content may contain errors, outdated information, or omissions. It may also lack context or professional judgment that would ordinarily be applied by a qualified human expert. Use discretion when relying on any content provided through this Site.

2. Human Oversight and Review

We apply a hybrid approach to AI-generated content. Most content published on this Site, including written articles, marketing materials, and product descriptions, undergoes human review and editing before publication. However, certain automated or interactive features (such as chatbot responses, AI-generated recommendations, or real-time AI-assisted tools) may produce content that has not been individually reviewed by a human prior to delivery.

Regardless of whether content has been reviewed, this review process does not guarantee complete accuracy or eliminate all potential errors. Users should independently verify any information before relying on it for decision-making purposes.

3. AI-Powered Interactive Features

This Site may include interactive features powered by AI, such as chatbots, calculators, recommendation engines, or other automated tools. These features are designed to assist users and provide general information, but they have limitations:

© 2026–2027 Dynamic Proven Strategies®, LLC. All rights reserved.

- AI-powered tools may produce responses that are inaccurate, incomplete, or inappropriate for your specific circumstances;
- Outputs from these tools should not be treated as professional, legal, financial, tax, or medical advice;
- We do not guarantee the availability, functionality, or uninterrupted operation of any AI-powered feature; and
- The Company is not responsible for any decisions made or actions taken based on outputs from AI-powered interactive features.

4. Not Professional Advice

Nothing on this Site, whether generated by AI or otherwise, constitutes professional advice, including but not limited to tax, legal, financial, investment, accounting, or medical advice. All content is general in nature and is not tailored to your individual circumstances.

You should consult with a qualified professional before making any decisions based on information found on this Site. The Company expressly disclaims any liability arising from your reliance on AI-generated or any other content on this Site as a substitute for professional consultation.

5. Data Privacy and AI

When you interact with AI-powered features on this Site, certain data you provide (such as text inputs, queries, or uploaded content) may be processed by third-party AI service providers. Please be aware of the following:

- Do not submit sensitive personal information (such as Social Security numbers, financial account numbers, passwords, or protected health information) into any AI-powered feature on this Site;
- We do not control how third-party AI providers process, store, or use data transmitted to their systems. Please review the privacy policies of the applicable AI service providers for details; and
- Any data you voluntarily provide through AI-powered features may be used to improve our services, subject to our Privacy Policy.

For full details on how we collect, use, and protect your information, please refer to our Privacy Policy.

6. Third-Party AI Tools and Services

The Company uses third-party AI tools and services to create or assist in creating content. These third-party providers have their own terms of service, privacy policies, and limitations. The Company does not endorse, warrant, or assume responsibility for the outputs, practices, or policies of any third-party AI provider.

The availability and capabilities of these tools may change without notice, which could affect the content or features available on this Site.

7. Intellectual Property

All content on this Site, including AI-generated content that has been reviewed, edited, or curated by the Company, is the property of Dynamic Proven Strategies®, LLC or its licensors, to the extent

protectable under applicable law. Unauthorized reproduction, distribution, or use of this content is prohibited.

AI-generated content may incorporate information derived from publicly available sources. The Company makes no claim of ownership over facts, ideas, or concepts contained in such content, but the specific expression, selection, and arrangement of content on this Site are protected to the fullest extent permitted by law. For more information, see our Copyright Notice.

8. Limitation of Liability

To the maximum extent permitted by applicable law, the Company, its owners, officers, employees, agents, and affiliates shall not be liable for any direct, indirect, incidental, consequential, special, or exemplary damages arising from or related to:

- Your use of or reliance on AI-generated content on this Site;
- Errors, inaccuracies, or omissions in AI-generated content;
- Any decisions made or actions taken based on AI-generated content;
- The performance, availability, or malfunction of any AI-powered feature; and
- Unauthorized access to or alteration of your data by third-party AI providers.

This limitation applies regardless of the legal theory under which liability is asserted, including but not limited to contract, tort, negligence, strict liability, or any other basis.

9. User Responsibilities

By using this Site and its AI-powered features, you agree to:

- Exercise independent judgment when evaluating any content on this Site;
- Verify important information through qualified professionals or authoritative sources before acting on it;
- Refrain from submitting sensitive, confidential, or personally identifiable information into AI-powered features unless expressly instructed to do so through a secure, designated process;
- Use AI-powered features in compliance with all applicable laws, regulations, and our Terms & Conditions; and
- Not attempt to manipulate, reverse-engineer, or misuse any AI-powered feature on this Site.

10. FTC and Regulatory Compliance

In accordance with Federal Trade Commission (FTC) guidance on AI-generated content, we disclose the use of AI in the creation of content on this Site. Where applicable, we identify AI-generated content in a manner consistent with current FTC guidelines and applicable state laws.

We monitor evolving federal and state regulations regarding AI disclosure (including but not limited to requirements under the FTC Act, the EU AI Act, and state-level synthetic content laws) and will update this Disclaimer as necessary to maintain compliance.

11. Indemnification

You agree to indemnify, defend, and hold harmless Dynamic Proven Strategies®, LLC and its owners, officers, employees, agents, and affiliates from and against any claims, liabilities, damages, losses, costs, or expenses (including reasonable attorneys' fees) arising out of or related to your use of AI-generated content, your interaction with AI-powered features, or your violation of any term of this Disclaimer.

12. Changes to This Disclaimer

The Company reserves the right to modify, update, or replace this AI Use Disclaimer at any time without prior notice. Changes will be effective immediately upon posting on this Site. The "Effective Date" at the top of this page indicates when this Disclaimer was last updated. Your continued use of this Site after any changes constitutes acceptance of the revised Disclaimer. We recommend reviewing this page periodically to stay informed about how AI is used on this Site.

13. Severability

If any provision of this AI Use Disclaimer is found to be invalid, illegal, or unenforceable by a court of competent jurisdiction, the remaining provisions shall continue in full force and effect. The invalid provision shall be modified to the minimum extent necessary to make it valid and enforceable while preserving the original intent.

14. Governing Law and Dispute Resolution

This AI Use Disclaimer is governed by and construed in accordance with the laws of the State of Texas, without regard to its conflict of laws principles. Any dispute arising out of or relating to this Disclaimer is subject to the binding arbitration provision and class action waiver set forth in our Terms & Conditions, which are incorporated into this Disclaimer by reference. To the extent a matter is not subject to arbitration, or a court proceeding is otherwise permitted (including to compel or enforce arbitration), the exclusive venue shall be the state or federal courts located in Travis County (Austin), Texas or Brazoria County (Angleton), Texas, to be chosen at the Company's sole election.
